

**CFC containing items** shall mean any item that contains CFCs (Chlorofluorocarbons). Chlorofluorocarbon containing devices are used in cooling. This includes refrigerators, air conditioners, dehumidifiers, CFC containing reservoirs or containers.

**RESTRICTIONS:**

- \* No 'out-of-town' CFC containing items. All waste CFC containing items delivered to the Holly Hill facility **MUST** have been generated within the Town of Greenwich.
- \* Out of Town businesses working for Greenwich residents or Greenwich businesses **MUST** have a signed and dated verification letter from the Greenwich resident or Greenwich business for each load delivered. See sample [Verification of Owner form](#).
- \* Purposely venting or causing CFCs to be released is a violation of Federal Environmental Law punishable with up to a \$25,000 fine per violation.
- \* **NO** businesses with large quantities. The Holly Hill Facility fluorescent light bulbs recycling services are intended for residents and small businesses with reasonable quantities of used fluorescent light bulbs.

**FEES:**

- \* \$16.00 each
- \* No CFC items will be accepted by the attendant without a paid-signed receipt reading, "FREON-IN".
- \* Customers will be charged for ANY CFC operated item unless a document certifying CFC removal from a licensed CFC removal technician (this is document is NOT a hand-written note from a contractor).

**Where is the CFC drop-off area?**

On the Operations Field, next to the Scrap Metal area. The Operations Field is at the bottom of the hill, across from the Trash Transfer Building. Please pay first at the scale house.

**Look for and follow these signs...**
