To: Weigh Master, Dept of Public Works:

I have retained _____ to deliver the following materials to the Town of Greenwich, Holly Hill Facility on my behalf. He/She will deliver the following materials from my above listed Greenwich property ONLY. Circle one or write-in, below.

Yard Waste/Logs/Leaves Construction Debris _____
Other

I *estimate* the volume of material being delivered to the Holly Hill Facility from my above listed Greenwich property to be the following: Circle one or write-in, below.

_____ number of cubic yards **OR** <fills the bed of one pick-up truck **OR** fills the bed of one pick-up truck

OR > fills the bed of one pick-up truck **OR** _____
Best describes the volume of material being delivered

I understand that I am responsible for the material my agent delivers to the Holly Hill Facility.

I understand my material must be source separated (that means construction debris with construction debris, yard waste with yard waste, trash separated from construction debris, recyclables separated from trash, etc, etc.).

I understand there may be a charge for my material which must be paid at the time of delivery.

My agent understands that he/she must cross the scale and provide an original letter, signed by me (the Greenwich property owner) and addressed to you (the Weigh Master) for each load delivered (even if my agent maintains a Non-Resident Dumping Permit / "Pink Permit").

My agent will be prepared to obtain a Non-Resident Dumping Permit (Pink Permit) at the time of material delivery. He has his driver's license, registration, and proof of business ownership.
