PRESS RELEASE

**OLD GREENWICH STORM DRAIN IMPROVEMENTS
TOWN PROJECT NUMBER 14-31
JUNE 8, 2017**

GREENWICH, CONNECTICUT – The Town of Greenwich, Department of Public Works, Engineering Division will be commencing on a drainage system improvement project in and around downtown Old Greenwich. The project involves the installation of storm drain structures and pipes on Park Avenue, portions of Sound Beach Avenue, Arcadia Road, Lockwood Avenue, Highview Avenue, in the vicinity of the Old Greenwich School and on school property. The Contractor, Grasso Companies, LLC, Norwalk, CT, will be working between 7am – 6pm, Monday – Friday, beginning on Thursday, June 22, 2017 and will start construction on the school property installing pipe working toward Sound Beach Avenue. The proposed construction is anticipated to last approximately 12 months, with pipe installation between Summer 2017 and Spring 2018 and final restoration occurring in Spring/Summer 2018. All dates are dependent on the weather and any unforeseen complications.

In addition to drainage pipe installation, various catch basins and manholes will be installed, curbing and sidewalk will be replaced in several locations, Park Avenue will be entirely repaved, portions of Sound Beach Avenue, Arcadia Road, Lockwood Avenue and Highview Avenue will be repaved and new pavement markings will be applied.

Prior to working in a specific area, the street will be posted with “NO PARKING BETWEEN 6 AM AND 6 PM” signs. Please take notice of the posted signs in the Town’s right-of-way to be sure that vehicles are parked in designated off-street parking areas. Any vehicles that are not moved will be towed. In addition, daily lane closures will occur and temporary traffic control devices will be installed to protect motorists and pedestrians. It is important for the safety of the public and the contractor’s staff that all pedestrians and drivers obey uniformed traffic personnel and all posted traffic control devices.

It is the Town’s policy to keep persons informed and involved when such projects are undertaken. The Engineering Division of the Department of Public Works along with CDM Smith, the design consultant, will be working together to make sure you are informed and aware of project updates. Please check the Town of Greenwich Public Works webpage for regular updates related to this project at:
