GRIFFITH E. HARRIS GOLF COURSE

Located on King Street

Directions from Town Hall:

US 1 to Brookside Drive, to Glenville Road. Left turn onto Glenville Road. Follow Glenville Road to Glenville Street (past Firehouse and Riversville Road). Turn left onto Glenville Street, follow to King Street. Turn right onto King Street, stay on King Street for approximately 5 miles, past the Westchester Airport turn on the left. Go straight past airport sign, golf course will be down the road on the right approximately ½ mile.

The Griffith E. Harris Golf Course is the Town's only municipal golf course and coincidentally the only non-private golf course in the Town of Greenwich. The Board of Parks and Recreation is responsible for reviewing the operations of the golf course.

In addition to the golf course itself, there is a Pro Shop where golf clothing and supplies can be purchased, clubs can be rented, golf carts can be rented, lessons can be arranged with the Pro or Assistant Pros, and tokens for the ball machine at the driving range can be purchased. The facility contains a driving range with 14 stations for hitting balls, two practice putting greens, and a practice chipping area, which includes a practice bunker.

A modern full service restaurant is situated on the premises with a bar (beer and wine only), a patio for outdoor eating and a snack bar window for fast food service. Housed within the restaurant building are a men's clubroom and a lady's clubroom where members of the 2 ladies and 2 men's clubs post scores for handicap purposes or just go to socialize.

The course has a new, state of the art, irrigation system. The 11th hole has undergone a transformation with a new tee (including a separate women's tee) and the clearing out of the undergrowth and dead trees in the left side rough area.

The course continues to garner widespread acclaim, and in July 2004 hosted the Metropolitan Golf Association Public Links Championship.

Course Outline:

The golf course is an 18 hole, par 71 (men), par 73 (ladies) Robert Trent Jones designed course (partially-9 of the holes). From the blue tees the course is 6,512 yards long; white tees- 6,093 yards; green tees- 5,710 yards, and gold tees- 4,256 yards. All the bunkers have been renovated within the past 4 years and the tees were renovated in 2001-2002.

It is a challenging course that requires accurate drives on many of the holes to prevent being in a hazard or out of bounds. Two of the holes have water (ponds) on them that come into play and a third has a creek going across the fairway.

Same Day Reservations

See the starter starting 1/2 hour prior to course opening or call (531-8253) beginning at course opening for any available times not reserved in advance through the automated tee time reservation system.

Note: The first hour each weekday only is blocked from advance reservations and is available

on a first-come, first-serve basis. Check the monthly schedule for any special events that would override this on a given day. Also, the back nine holes are available for play all days for the first hour on a first-come, first-serve basis subject to special events as well.
